

## Open Letter to The Washington Post from EyeOnThePost

Dear Mr. Graham:

Your portrayal of Sheik Ahmed Yassin as a “moderate” spiritual guru and your condemnation of Israel for killing him belie the facts. As founder and head of Hamas, a terrorist organization, he continuously incited the murder of innocent civilians. Two U.S. presidents have given a green light to killing Osama Bin Laden. Were they also wrong?

Sheik Ahmed Yassin

Osama Bin Laden

What's the difference? Why isn't Israel entitled to fight its own war against terrorism?
